

Medicare Annual Open Enrollment

October 15 – December 7

presented by Bucks County Area Agency on Aging and APPRISE

APPRISE is a free, unbiased & confidential Medicare counseling & education program

APPRISE Medicare Services

Medicare Annual Open Enrollment Period

Medicare beneficiaries can make changes to their Medicare Advantage Plan or Prescription Drug coverage between **October 15th – December 7th**. This is a good time to re-evaluate options that may best suit your needs, given your most recent health history.

Why use APPRISE?

APPRISE Counselors help you navigate the complex system of Medicare. Our counselors are certified and **highly-trained** by the Pennsylvania Department of Aging to help you understand your healthcare coverage options. Counselors are available year round to provide **free, unbiased** and **confidential** services personalized to your needs.

Do you want to know if you are eligible to save some money? Call APPRISE today:

267-880-5700

Counseling Services Available

Counseling services are **now available virtually** and **by phone** (evening appointments available). Call to make your appointment today! 267-880-5700

APPRISE may be able to save you money! Here's how...

- Screening and application assistance for a variety of discounts and subsidies (including MSP and LIS).
- Medicare plan comparisons to help meet your individual needs and budget.
- Review of Medicare Preventive Services to help you stay healthy!
