PA UNCLAIMED PROPERTY

The state Treasurer's Office obtains millions of dollars in unclaimed property, and I want to make sure you get it back! Unclaimed property is any financial asset that has been left with a bank, insurance company, or business or organization without any activity for five years.

UNCLAIMED PROPERTY MAY INCLUDE:

- Closed bank accounts
- Uncashed checks, including paychecks
- Lost stocks and bonds
- Contents of safe deposit boxes
- Life insurance policies
- Expired gift cards/gift certificates

There is no cost to search the state database to see if you have unclaimed property. Staff in my district office can help you perform a FREE search of the unclaimed property database.
