

Dear Neighbor,

As 2022 has begun, I want to wish you a safe and healthy new year. My office is here to help with your state-government needs, including low-income heating, cooling, and water programs, PennDOT issues, SEPTA senior passes, and much more. We are here for you!

I'm also fighting hard to protect our neighborhoods from gun violence, to keep a roof over everyone's head, to support small businesses, to ensure our young people have access to education and job-training resources.

And as the pandemic continues, we're here to help you overcome the challenges associated with COVID-19 by connecting you with the vaccine, unemployment benefits and housing assistance.

Read on to learn how our office is working tirelessly to put you and your family first, and the exciting state grant investments I'm helping bring back to our community!

WINTER 2022

IN THE COMMUNITY

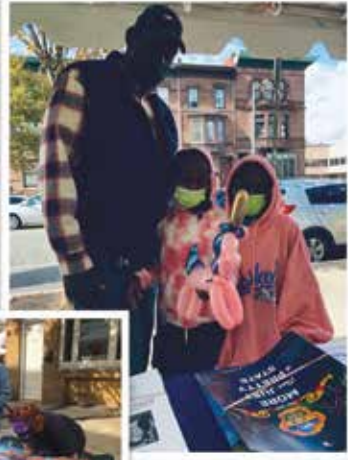

It's my honor to serve senior citizens across our district with Property Tax/Rent Rebates, vaccination appointments, and car registrations! I had a great time talking with seniors and calling bingo at the East Passyunk Community Center. And my staff and I had a wonderful time catching up at the South Philadelphia Older Adult Center.

Strong schools are vital to our families, our children and to our city's future. I had the chance to thank food service workers, climate staff, teachers, school nurses and additional staff, while visiting South Philly High.

The pandemic has presented even greater challenges for many small businesses. I'm proud to support them and to highlight their important role right in the community! I enjoyed the 7th Street Shops Community Celebration, and was pleased to meet with owners and staff of, among other local businesses, Giordano Garden Groceries and Linsky's Pharmacy.

It was great to celebrate the holidays this year with community groups across the district. I joined neighbors (and fellow elected colleagues!) at the Christmas tree lighting and Fall festivities of the Passyunk Square Civic Association, East Passyunk Crossing Civic and the South Broad Street Neighborhood Association.

Left: Thank you to the frontline and health care workers who continue to care for our neighbors during their time of need. I recently stopped by to see our neighbors at work protecting the health of patients, got my flu shot, and had the chance to thank them in person for all their life-saving work.

Right: It was wonderful to celebrate literacy and community at Reading Promise events across the district, and to visit with neighbors at the Pennsport Civic event!

Congratulations to the Key School students whose drawings and poetry inspired the new Routing for You mural across from their school, thanks to Mural Arts Philadelphia and SEAMAAC!
