Dear Neighbor,

As we say goodbye to 2021 and hello to 2022, I am grateful to have served as your state representative and look forward to the new year ahead working for you. I spent the past year fighting for us in Harrisburg and at home to strengthen our community and support veterans, seniors, workers and families. Whether I'm attending or hosting events, offering mobile services, making birthday calls, or legislative door-knocking, it is always great to talk with people and hear what's important to you.

In my office, we love to recognize the terrific work, accomplishments, and milestones of our neighbors throughout the year — so please keep sending requests our way!

I provide weekly email updates that you can sign up for, and you can follow me for important information on my website and Facebook page. You can find me on Facebook at /RepDelloso. My district office is at 605 E. Chester Pike, Ridley Park, and you can reach my staff at (610) 534-1002 with any questions you might have regarding state government or state programs.

In service,

David M. Delloso
State Representative
162nd Legislative District

In the Community

1 I joined Rep. Joanna McClinton in presenting 50th Anniversary citations to Evelyn Graves Ministry.

2 I was inspired by those I met at the Delaware County Advocacy & Resource Organization breakfast, like David Perry.

3 My staff and I had a terrific time at the Folcroft Borough Senior Lunch. It was great to speak with those in attendance about their concerns and the resources available to them.

4 I took some time on Veterans Day at events in Norwood, Media and Glenolden to honor and thank those who served our country.

5 Thanks to your generosity, we had bags full of donations to hand off to volunteers with Harry's Hands to Help & Heal to give to people in need in our community.

6 I enjoyed speaking with members of the Glenolden Fire Co. at Community Day in Glenolden.

Working to Help Pennsylvanians Retire

When it comes to saving for retirement, it has become increasingly more difficult for workers to put funds aside when a vast number of Pennsylvanians do not have access to employer-sponsored retirement plans, worker wages continue to be stagnant, and the cost of living and unforeseen expenses are still budgetary concerns for many, instead of preparing for enjoying stress-free senior years.

To combat this, a bipartisan bill with support from the Pennsylvania Treasurer is being introduced to establish **Keystone Saves**, a voluntary employee retirement savings program that expands access to private sector individual retirement plan accounts to the more than two million workers who currently do not have retirement plans through their employer. While in Harrisburg, I will continue to fight for fair wages and for workers to have the peace of mind that they will be able to comfortably retire.
